UMVRS Membership

2026 will introduce a \$20 per CAR Membership to be paid prior to first race.
ALL participants are to make contact with UMVRS for approval and fill out forms.
Once membership is approved and car is inspected,
you will receive a sticker that MUST be displayed to race!
ALL Participants MUST SIGN IN at trailer with banner.
Anyone who fails to sign in WILL NOT RACE!
Drivers MUST attend both, track driver's meeting
as well as UMVRS meeting immediately after!
ALL payouts will now be mailed or picked up at next event.
Any driver without a working Raceciever, will NOT be allowed to be on track.

ROUGH DRIVING CONTACT rule- UMVRS reserves the right to suspend and fine a driver, car owner, or crew member for action detrimental to sport of racing with UMVRS. A 3 member board will review any incidents and determine any penalties ranging from a warning, to lost money and/or suspensions, in extreme cases the membership can be removed for a year or permanently.

Gentleman's Rule: The Gentleman's rule is intended to spread the fun around. It is a carryover from previous clubs but modified to fit UMVRS.

We are asking feature winners to refrain from dominating the series. So, if you win a feature, you must refrain from winning the next feature race that you are in.

Additionally, from time to time we get competitors cherry picking our biggest event Oktoberfest. Most recent winner of Oktoberfest can compete, but can finish no better than 4th position for next 2 years. This goes for both the driver and car.

Lap and half RULE: We want all cars to stay in formation until exiting turn 2 after the first complete lap. That means door handle to door handle on the opening lap and half of all our races at the drop of the green (Front row sets a MODERATE speed).
No PASSING UNTIL EXITING TURN 2 AFTER FIRST FULL LAP!!!!

By signing this agreement, you are acknowledging you have read ALL UMVRS Rules and agree to abide by them. If you don't abide by the rules, membership can be revoked, and membership fee will not be refunded.
